Investment.

Having your wedding filmed is one of those things you don't realize you need until it's too late—seriously, it's like the one thing people always regret skipping! Imagine being able to relive the laughter, happy tears, and all the "did-that-really-happen?" moments for years to come. Photos are great, but nothing captures the vibe like a film

It's an investment in future-you, giving you the ultimate time capsule to show your kids, grandkids, or even just to binge-watch on anniversaries. Trust us, it's worth it!

Memories

FULL DAY PACKAGE

This **package is perfect** for couples seeking a simple yet elegant way to relive the most **memorable moments** of their wedding day.

The Memories Package provides **full-day coverage**, starting from the **bride's preparations** all the way through to the **first dance**, ensuring every significant moment is beautifully captured. The final product is a professionally edited **5–8 minute highlight film**, showcasing the essence of your day with stunning visuals.

While this package **does not include audio** coverage of the ceremony or speeches, it is ideal for couples who **prioritize the visual narrative** of their special day.

Drone footage is included (subject to weather and venue permissions), offering breathtaking aerial perspectives to enhance your film. Your highlight video will be **delivered online**, making it easy to share with friends and family.

What's Included:

- + Full-day coverage (Bride prep to First Dance).
- + Professionally edited 5–8 minute wedding highlight film.
- + Stunning drone footage (where permitted and weather allows).
- + Online delivery for easy sharing.

Ever After

FULL DAY PACKAGE

Designed for couples who want their **wedding story** to come to life with both visuals and sound, **The Ever After Package** provides a **cinematic highlight film** that weaves key moments of your ceremony and speeches into the narrative.

Full-day coverage ensures every moment from **bride preparation to the first dance** is captured in stunning detail. The **8–15 minute film** includes selected **audio** from the ceremony and speeches, enhancing the emotional impact of your video.

Drone footage (where permitted) adds an elevated perspective to your story. Delivery includes a professionally edited **cinematic highlight film** provided both online and on **USB**, offering a keepsake that's both shareable and timeless.

What's Included:

- + Full-day coverage (Bride prep to First Dance).
- + Professionally edited 8–15 minute cinematic highlight film.
- + Selected audio coverage of key moments from the ceremony and speeches.
- + Stunning drone footage (where permitted and weather allows).
- + Delivered online and via USB for safekeeping.
